

So we are ambassadors for Christ, as though God were pleading through us. We implore you in Christ's stead: Be reconciled to God.

2 Corinthians 5:20

July 2016

A busy July has come and gone with two key activities starting in earnest. We kicked off both the weekly *Marcos 10:14* kid's club and helped with the start of *Ministerio Nuevo Corazon Galeana* (the weekly elderly feeding program). Both programs are administered from *Casa Cristana El Alfarero* (the ministry house). We also continued *Gospel On The Move* with visits to the extremely remote village of Refugio.

True Path Ministry Inc. received official notice that we are now a part of *Independent Assemblies*. They are based in Ada, Oklahoma and provide

our 501C3 tax-exempt covering. The organization also offers non-denominational churches and other like minded independent ministries an important support network.

Stephen and Tonyia have been in Texas for much of the month. They spoke to a very interested audience at *Christ Chapel* in Bandera. They also visited with *Damascus Road Fellowship* in Ennis. Both churches, along with some individuals, provide support for the work of our ministry.

"The Lord has blessed us with good successes and many new open doors in our ministry. We are humbled and reaffirm our commitment to serve Jesus in Mexico" said Stephen. "All glory to God!"

Stephen, Tonyia, Martin and Pera (Pastor Jose's wife) hugged each of the 100 kids at the Marcos 10:14 kick-off event.

Face painting was one of the popular activities. Martin (left) and the hot dog cooks were busy feeding over 170 people.

Stephen was the clown during the opening event. Bobbing for apples was one of the games.

The out-of-town band stayed at the ministry house.

Above: The road to Refugio goes through a goat pen. Below: Ana, Martin and Geneses enjoy the view beside Santiago's house.

Worship was spirit-filled, Evangelist Ramiro preached a good sermon. We all prayed for Pastor Santiago and his wife. We also gave away clothes.

The folks at Pastor Reynaldo's church helped Stephen celebrate his 62nd birthday on July 10th.

The beginning of *Nuevo Corazon Galeana* (New Heart) ministry was a major event held at our ministry house. We help supply propane and a place to cook. The ministry feeds about 20 poor elderly people each week. Tears of joy flowed for some.

Ana (Martin's wife), who is part of the *True Path Ministry* team, was one of the Christians who was baptized in a river near Monterrey. Several churches come together for the annual event. One wheel-chair bound man was included.

We delivered a "Blessing Bag" along with hugs to Maria. We met her at the *Nuevo Corazon* event and she stole our hearts. She is 86, lives alone and has no running water or indoor plumbing. But she has a strong spirit. She said she prayed we would come see her—what an honor to be part of what Jesus is doing!

Stephen and Tonyia talked about *True Path Ministry's* work in Mexico to an interested congregation at Christ Chapel in Bandera.

Evangelist Ramiro's wife, Virginia, has a talent for making beautiful hand-crafted art in fabric. Tortilla holders, purses, decorative "dollies," dust covers and other items. She makes and sales them to help put food on the table for their family.
