

So we are ambassadors for Christ, as though God were pleading through us. We implore you in Christ's stead: Be reconciled to God.

**Editor's Note:** Its all for Jesus! The August schedule for the *True Path Ministry Inc.* team (Tonyia, Stephen, Martin, Anna and Yessi) was full. Here are some of the highlights of our activities for August in the photographs that follow. A complete article about each of these activities and others can be found on our website at: <http://truepathministry.com/news/>

## Marcos 10:14 Kid's Club Ongoing Success

*True Path Ministry* is proud to have Yessi working with us to teach children about the love of Jesus. We have gone through two complete months with studies at the weekly kid's club and we consistently have about 40 kids. Plus, many of them can recite memory verses they have learned. Most weeks the kids are involved in a skit that depicts a Bible story and a craft that supports the lesson. Some come from area churches, but for many this is the only Christian teaching they have ever had.

We feed the kids each week, usually a light snack. But, recently we gave them a special treat with a Pizza night. It was a milestone, the completion of two months of the club. During craft time they made "gold metals" to celebrate their successes. It also coincided with the Olympic Games. Christ and His love remains at the center of all our activities.

# 100 Kids Come to Three Day Vacation Bible School at Tiny Dieciocho de Marzo Village!

True Path Ministry worked with Pastor Jose and his church members to give the kids a fun, Christ-centered event. Yessi, her Mom (Sonia), Martin and his wife (Ana) were joined by a group of volunteers eager to work with children. It is an economically poor village, but full of the Holy Spirit.

## Gospel on the Move: Church Comes Alive at Cañón de Vacas (Canyon of the Cows)

A *True Path Ministry* team (Stephen, Tonyia and Martin) joined with friends, Juan and Sandra, to take the gospel to remote Cañón de Vacas during August. When the day was over two new souls had come to know Jesus, all were prayed for, nine people got reading glasses, sixty received new clothes, all the children were given milk, we handed out a goodie bag with candy and toys to the kids, everyone was fed a sandwich but most important – Jesus was celebrated in worship and through love.

Martin (left) preached; Sandra and Juan provided the music.

We prayed for this elderly Christian man in his home. He cried and voiced his gratefulness.

Several folks got reading glasses; everyone found clothing; and the kids got a blow-out toy and some candy.

This girl could not see to read before we gave her donated prescription glasses.

This young man made a first-time profession of faith. We gave him a Bible with a scripture of hope written inside.

## Special Gifts for Pastor Reynaldo and *Nuevo Corazon Galeana*

It was our pleasure to give both *Nuevo Corazon Galeana* and Pastor Reynaldo a special blessing for their ministries. Getting the car for Pastor Reynaldo will allow him to be more responsive to the needs of the members of his growing church. For *Nuevo Corazon Galeana* it means the economically poor and elderly in the area will continue to get healthy meals.

### Pastor Jose and Family Get New Clothes

Pastor Jose, wife Pera and 5-year-old Jaret were very grateful to receive the clothes that *True Path Ministry* was able to give them. There was something for everyone in the family including 16-year-old daughter Brisa and 14-year-old son Hajiel. Tonyia carefully selected the clothes for each member from a huge collection donated to us.

### Your Support Is Vital to Ministry in Mexico

Supporting the *Marcos 10:14* club is one of our core ministries. Every week Yessi, teacher of the kids club, brings a Bible message to around 40 kids. Many times she has the children act out the message which helps the kids to identify with the characters of the story.

Each child puts together a craft and often they play a game. Once finished, we then feed the kids a snack. This is one of the key ministries the Lord uses to further His kingdom here. For many of these kids this is the only church they will ever enter.

There is a big expense in holding this club every week and that cost will continue to grow as more kids come. We have the club at our ministry house, which we rent and also pay utilities. We use the suburban (gas) to pick up and take home several of the kids. Plus, all the expense of supplies and food.

Please know we are thankful that the Lord is using us. We are ALWAYS grateful for your prayers.

If the Lord lays on your heart to support this ministry financially, go to our support page on our website:

### Church Celebrates Tonyia's Birthday

Pastor Reynaldo and the members of Getsamani Church surprised Tonyia with a cake. The kids sang and even made her signs in English. Everyone gave her a Birthday hug, which is a tradition in Mexico.
