

So we are ambassadors for Christ, as though God were pleading through us. We implore you in Christ's stead: Be reconciled to God.

Editor's Note: Its all for Jesus! We (Tonyia, Stephen, Martin, Anna and Yessi) had another full schedule in October. Here are some of the highlights of our activities in the photographs that follow. A complete article about these activities and others can be found on our website at: <http://truepathministry.com/news/>

Two Hundred Heard Gospel at Tent Revival

Stephen told the story how the words to "I have decided to follow Jesus" were the last ones a missionary spoke before he was killed. Afterwards, the Marcos 10:14 kid's club children used sign language, Tonyia taught them, as Martin sang the song.

Twelve local pastors were on hand each night to help pray for the many who came forward for special prayer.

There was a lot of work behind the scenes. We fed everyone both nights, and we had to get and set up the borrowed 200 chairs each night. Assembling the huge tent was difficult too. But, we had good support from local Christians.

Evangelist Robert Mesa from Yoakum, Texas preached a powerful message both nights.

Worship in the Mountains: Congregation Walks a Mile

The *True Path Ministry* team pulled into Pastor Seldonio's mountain home ready to minister to the spiritual and physical needs of the people on Saturday, October 29th. The Suburban was loaded with food, clothing, reading glasses, Bibles and people. Pastor Seldonio greeted us and told us one of his congregations was waiting, but we needed to walk over an hour on a rough trail. "We have too much stuff and crippled people," said Martin. "Is there another way?" Seldonio said yes, they can all come here. So about fourty members, of one of the five ranches this pastor serves, walked over an hour to come worship with us!

This lady walked over an hour.

The clothes were a big hit.

This young mother committed her life to Jesus.

About 40 Children Continue to Come Weekly to Marcos 10:14

We started the weekly Marcos 10:14 kid's club in July and it continues to go strong. The kids hear a Bible story each week, memorize verses, enjoy fun games, assemble a craft and eat a meal. "We also have several young mothers who come to hear about Jesus and bring their infants," said Tonyia.

Iglesia Getsemani Gets New Sign

True Path Ministry Inc. (TPM) helped the Iglesia Getsemani in Galeana get a sign for its new building location. Stephen designed the banner with Pastor Reynaldo's input, worked with a local firm to get it printed and TPM paid for the project. Martin, also with TPM, installed the sign.

Stephen Preached at Two Churches

Stephen, with *True Path Ministry*, preached while Martin translated at both Getsemani Church in Galeana and in Dieciocho de Marzo on Sunday October 16. "I used my computer and projector to help make my message clear," said Steve. "This is very unusual here and the congregations seem to enjoy the new media tool." Many can forward for prayer.

New Shoes for Benedita

Benedita is a poor widow living alone in a one room shack. Martin noticed she had on two different shoes (and they were worn out) when we brought her the meal from *Nuevo Corazon*, we asked her if she wants some new shoes. She answered in an excited "SI" (yes). She found a pair of shoes she liked a lot. She was grinning from ear to ear. The sales people were curious why we did this for a poor old lady. Jesus is why.
