

Therefore, we are ambassadors for Christ, God making his appeal through us. We implore you on behalf of Christ, be reconciled to God.

**Editor's Note:** It is all for Jesus! It has been a busy summer for *True Path Ministry Inc.* The *Marcos 10:14* kids club is doing especially well. Also, we delivered meals to the elderly each Tuesdays with *Nuevo Corazon*; made several visits to remote villages; and we had visitors from the US. We have been blessed—thank you for your prayers and financial support. Here are some of the highlights from our summer 2017, a complete article about most of our adventures can be found in “news” on our website at: <http://truepathministry.com/news/>

## Texas Mother and Daughter Team Come to Help Ministry During Summer Vacation

Jeanette Lewis and her daughter Lori, age 13, came to work with us one week in Galeana. They live in the Boerne, Texas area. Jeanette is Stephen's niece and working with missionaries in a foreign country was on her “bucket list.” They were a lot of

help and we had fun too. Their week was jam-packed with ministry work. They helped at the special *Marcos 10:14* kids club meeting, delivered meals with *Nuevo Corazon* and visited the remote village of Canoas. We also took a little time to see the *Puente De Dios* which is an interesting natural bridge carved out by a mountain stream. They report their time spent working for the Lord in Mexico was “very fulfilling.”

## Big “Fiesta” Celebrating the First Anniversary and Success of *Marcos 10:14* Kids Club

There were more than 100 children in attendance at the *Marcos 10:14* Anniversary Fiesta held on July 10th. Among the many fun activities the children also performed several Christian songs that they had been practicing for weeks. The kids were extremely excited to be at the fiesta and truly grateful for all the food, cake, prizes, and love that they received there. The teachers prepared a special surprise for Stephen as it was his birth-

day. The children sang in English while holding paper letters that exclaimed Happy Birthday. They also handed him home-made cards.

“We are so grateful to the Lord and the many people behind the scenes who planned and worked at the event,” said Stephen. “This is also a tribute to those who support this ministry with prayers and dollars.”

## Canoas: a Remote Mountain Village Experiences Victory in Jesus During Recent Service

A True Path Ministry team recently went to Canoas to preach the gospel, and give away Bibles, clothes, glasses and gifts to the children. Our Ford Edge and the Suburban were both packed to the max with people and items for the trip.

US Visitors Jeanette Lewis and her daughter Lori, age 13, were also with us. Pastor Reynaldo, wife Lulu and good Christian friend Sandra brought their support too. Evangelist Ramiro gave a wonderful spirit-filled sermon. Many of the young people who attended gave their hearts to Jesus and received individual prayers and a Bible to strengthen their journey as Christians.

It was an extra special worship service, displaying the power of the gospel to change lives. Jesus saves!

## Donations for Mexico

Pastor Frankie and wife Sheila gave Tonyia the opportunity to talk about Mexico at their church in Sweetwater, Texas. The congregation also donated to the ministry a number of house hold items to give to people in Mexico. Praise the Lord!

## Essential Vehicle Repairs

Chris Isbell donated his labor and made many repairs to the suspension and engine on our 2010 Ford Edge. It is an essential part of our ministry and it has over 230,000 miles on it. Many of those were hard miles on some of Mexico's roughest roads.

## Tito Preaches at *Casa Cristiano El Alfarero*

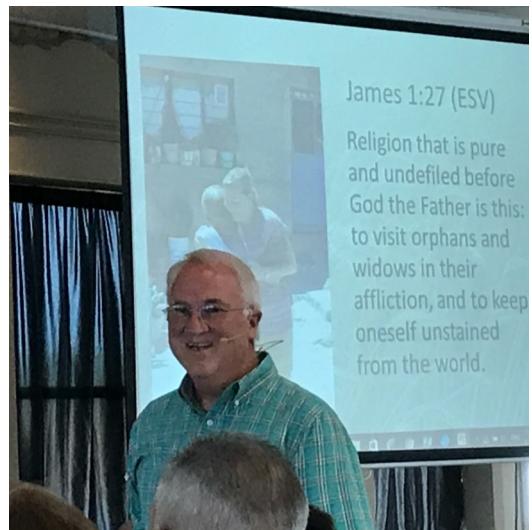

Evangelist Tito from Peru preached a powerful sermon on at a special outdoor service at *True Path Ministry's Casa Cristiano El Alfarero* in Galeana, NL, Mexico. Pastor Reynaldo's congregation from the *Getsemani Church* hosted the event. It was a joy to see the courtyard area outside the ministry house filled with worshipers. Evangelist Tito has a special gift of healing and leading a spirit-filled service.

## *Getsemani Church* in Galeana Gets New Sound System

The *Getsemani Church* is enjoying a new sound system, thanks to a generous donation from Gospel singer, Casey Needham, from Waxahachie, Texas. Pastor Reynaldo, wife Lulu and the members of the *Getsemani Church* and *True Path Ministry* often work together to serve the Lord in the Galeana area. The church is growing and had been using an older borrowed sound system. The new system is a big improvement in quality, plus is more compact in size. Their worship space is small compared with the number of people who attend services. There is often an overflow crowd.

## Stephen Preaches at the *Damascus Road Fellowship* in Ennis

Pastor Glenn introduced Stephen to the congregation. Stephen used his experiences in Mexico to urge everyone to answer God's call on their lives. We should all make Jesus central to our lives and realize faith is an active part of the Christian's life. He also thanked the congregation for their support.

## Areli a Kinder-Graduate

Areli is the middle child of Pastors Rey and LuLu from the *Getsemani Church* in Galeana. She recently graduated from kindergarten. It was an elaborate two hour celebration similar to a college or high school graduation in the US.
