

Therefore, we are ambassadors for Christ, God making his appeal through us. We implore you on behalf of Christ, be reconciled to God.

Editor's Note: Working for Jesus! Much has happened at *True Path Ministry Inc.* since the fall newsletter. The *Marcos 10:14* kids club continues to do well. Also, we delivered meals to the elderly each Tuesday with *Nuevo Corazon*; and made visits to remote villages. We have been blessed—thank you for your prayers and financial support. Here are some of the highlights during winter 2017-2018. Like us on *FaceBook* and see all our adventures at: <http://truepathministry.com/news/>

Hundreds of Mexico's Children Overjoyed with Christmas Gifts from Supporters

Lori and Jeanette Lewis came down from Texas to help *True Path Ministry Inc.* with the huge task of managing the hundreds of gifts, and the fun job of giving them to the smiling kids.

"It was the best year we have had for our Christmas gift giving tour, thanks to the churches and individual donors that made this all possible," said Stephen. "We had a Christian tract in every bag and the gifts were given after a worship service."

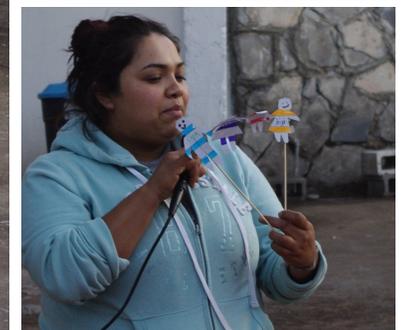

We had a great group of helpers in Mexico that went with us to the many remote villages. It was a fun time of fellowship, song, and worship. We had a separate kid's worship time when the adults were listening to the sermon, it was a special treat for them.

We always keep Christ in the forefront of all we do He gets the glory.

Marcos 10:14 Kid's Club Continues to Draw Many Children Closer to the Lord

Each week a group of faithful Christian volunteers in Mexico help us host from twenty to forty kids at True Path Ministry's "Casa Cristiano El Alfarero." In addition to the place to meet the ministry provides art supplies, gifts (often given as a reward for knowing Bible verses), food for snack time, gasoline and the ministry Suburban to transport kids and volunteers. It has been very rewarding to see the children grow in their faith and in how to relate to others in the way Jesus intended. There is no other program we know of like this in the Galeana area.

Patty is an excellent teacher. We use a Bible-based lesson series. All aspects of club point to Jesus.

Gospel on the Move: Worship, Clothes, Glasses & Personal Care Items to Remote Villages

On many Saturdays up to 20 Christians from Galeana venture to one of the many remote villages to share the love of Christ. Some places have pastors and some do not. The people often tell us, with tears in their eyes, how much it means for us to visit. It is all for Jesus!

TPM is working to improve the living conditions of this family by adding water and a bathroom. The young family of seven live in a tiny house. Two of the girls come to the *Marco 10:14 Kid's Club*.

Each week TPM helps *Nuevo Corazon* deliver 35 meals to the elderly in the Galeana area.

Arlen Williams recently came from Texas for a week to help the ministry.

New Bathroom & Kitchen for Pastor Berenice

Pastor Berenice was called to serve the Lord in the tiny village of San Francisco, Nuevo Leon, Mexico. She is a young, single lady who moved into a room attached to a very old rock church building. She is also a gifted kid's teacher.

Work continues on a new church building site in Galeana, NL, Mexico. *Getsemani* has a growing congregation and its future looks bright. It is where Pastor Reynaldo and Lulu serve as leaders. The church is an active, spirit-filled and Bible-based Christian community. The church and *True Path Ministry* work together to feed the elderly on Tuesdays, nurture Christian growth through the *Marcos 10:14* kids club on Thursdays and act as the hands and feet of Christ to remote villages on Saturdays.

The Lord is leading *True Path Ministry* to help *Getsemani* build its new church building. Please pray for this effort and let us know if you would like to give to this project.
