

Therefore, we are ambassadors for Christ, God making his appeal through us. We implore you on behalf of Christ, be reconciled to God.

## Christmas Gift Giving Adventure 2018 — Huge Success

*True Path Ministry Inc.* gave out over 300 gifts to children in rural Northern Mexico. We were honored to have a good group of Christian volunteers in Mexico helps us. Plus, Jeanette and Lori Lewis from Texas came to assist too. At each location we held a worship service, a kids time, gave away clothing, gave donated blankets, reading glasses, candy and of course the gift boxes to children. Each box contained a Christian tract, toys and personal care items. The children were very grateful as it was the only gift many of them received. **THANK YOU** everyone who gave and prayed!

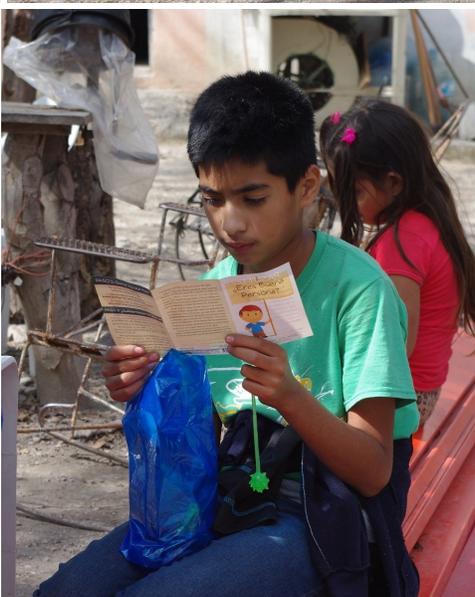

## Marcos 10:14 Kid's Club Weekly and Christmas Fiesta

The Marcos 10:14 Kid's Club is a core ministry. Each week the children come together under a tent at the **True Path Ministry** "Casa Alfarero" (House of the Potter). At the meetings we pray, sing, play games, learn memory verses, conduct a Bible lesson and have a meal. Every three months we honor the birthdays of the kid's who became a year older during that time and it is often the only birthday party they have. Our Christmas Fiesta is an especially festive time and this year over 100 children came to celebrate Jesus' birth and get a gift.

## Gospel-On-The-Move

*True Path Ministry* and volunteers from the *Getsemani Church* in Galeana, NL, Mexico made a number of visits to remote villages. We held services for the adults and children, gave out Bibles, small gifts to the kids, clothes and reading glasses. We had several people at these events make a first time confession of faith in Jesus. Many of these photos are from a visit we made to Reyes. It was a rough, but beautiful road.

## New Church Building Project

The roof at the *Iglesia Getsemani church* in Galeana is about half finished and work has begun on the restroom inside wall and plumbing. For the sewer line ditch we had to break through some extremely hard rock. The septic tank has been mostly completed.

Still needed soon: stucco inside and out; 12 large windows and 10 smaller windows; large double entrance door; electrical wiring; plumbing; front porch and stairs.

Work will be completed in the Lord's times as funds become available. The congregation plans to start meeting in the new structure as soon as the roof and restrooms are completed...with or without windows and doors.

## Daniel Had A Dream

Daniel and wife Iris (far right) have begun a new youth group "Redimidos de Crist" (Redeemed of Christ) as part of the *Iglesia Getsemani church* in Galeana. Pastor Reynaldo (center) was delighted as the group was badly needed at his growing church. Daniel presented the idea to the Pastor after he had a dream that the Lord wanted him to lead a youth group. He said YES Lord.

## Church at Palmito

Pastor Ruben (left) has revised a small church in the mountain village of Palmito. The *Iglesia Getsemani church* uses the TPM Suburban to travel there for services every few weeks.

## Lori Lewis' 15th Birthday Party in Mexico

Jeanette and Lori Lewis came to Mexico to help *True Path Ministry* with its Christmas Gift Giving Adventure 2018. They have made several short-term mission trips here, and have many friends who welcome them warmly.

Folks here found out Lori is turning fifteen and they wanted to make her birthday celebration an event she would remember. In Mexico this is considered a milestone toward adulthood. We held her surprise party at the Marco 10:14 Kid's Club meeting. The kids sang birthday songs, we all had cake and each child hugged her. It was a memorable party!
