Learning about Jesus at *Marcos 10:14* Kid's Club Weekly

The *Marcos 10:14* Kid's Club is a core ministry for us. Each week the children come together under a tent at the *True Path Ministry* "Casa Alfarero" (House of the Potter). At the meetings we pray, sing, play games, learn memory verses, conduct a Bible lesson and have a meal. Every three months we honor the birthdays of the kid's who became a year older during that time and it is often the only birthday party they have. The number who come varies from over 20 to a recent week when over 70 showed up. Christ centered fun!

Van selfie by driver Edith, all were happy for better vehicle.

We transport most of the kids who come to the weekly meeting.

The weekly art project always relates to the lesson.

Kids volunteer to say their memory verses into the microphone.

Dedicated volunteers from the *Iglesia Getsemani* church help each week prepare the food and with other activities.

Gospel-On-The-Move Takes Road Trips to Remote Villages

True Path Ministry and volunteers from the **Getsemani Church** in Galeana, NL, Mexico made a number of visits to remote villages. We held services for the adults and children, gave out Bibles, small gifts to the kids, clothes and reading glasses. Many of these photos are from a visit we made to the mountain village Purisma.

(Left) Evangelist Ramiro, Pastor Reynaldo, Lulu and Tonyia were part of group who went to Purisma.

The Galeana group sang at the service.

Van Donation for Ministry

Travis and Heidi Klaassen, walked up to Stephen and Tonyia after a church service at the Medina (Texas) Methodist Church. They asked if we wanted a 15 passenger van for our Mexico ministry. They did not know we needed one, but they felt the Holy Spirit's prompting. Our response, "YES! It is just what we have been praying for...." They had the 1999 Ford 350 van for some time. It was originally bought for another ministry, but was no longer needed.

Brothers Work Together for Jesus

The donated van and some chairs were brought to Galeana with Steve and Arlen's recent trip. The brothers went to services in Palmito, helped at the weekly *Marcos 10:14* kid's club and completed several projects at the church building— All for Jesus.

Moving Dedication Ceremony

Pastors Reynaldo and Lourdes were recently anointed with oil (left) as part of the new building dedication ceremony. The couple were brought to tears as they had been praying many years that the Lord would provide a place of worship for Iglesia Getsemani church.

Iglesia Getsemani Says "Muchas Gracias"

On-going and Special donations from *Christ Chapel* in Bandera, Texas, *Grace Tabernacle* in Ennis, Texas and *Damascus Road Fellowship* in Ennis, Texas, plus other individuals helped push the church building project forward. Praise the Lord!

Chairs were donated by *Grace Tabernacle* in Ennis, Texas. The Iglesia Getsemani church in Galeana can now seat about 100.

New Bibles for Palmito Church

Pastor Lulu from Iglesia Getsemani presented new leather-bound Bibles to several members of the Palmito Church. It is a small village south of Galeana. Their old paperback Bibles were badly worn due to frequent use. True Path Ministry is proud to make Bibles available when they are needed.
