

Therefore, we are ambassadors for Christ, God making his appeal through us. We implore you on behalf of Christ, be reconciled to God.

Editor's Note: Working for Jesus! *True Path Ministry Inc.* continues in its mission. It has been a busy season here in Galeana, NL, Mexico. Construction at the *Iglesia Getsemani* church building has progressed. The *Marcos 10:14* kids club is going well. TPM and visiting missionaries made several trips to remote farm villages. We have been blessed—thank you for your prayers and financial support. Here are highlights from the last of 2019 and first of 2020. Please share this with folks who do not get online. Christmas Gift Box Giving Adventure was a Huge Success

A tremendous amount of work went into the gathering of presents, transportation, final packaging, and delivery of the gifts. *True Path Ministry, Inc.* is a small organization with limited resources, but the Lord has provided what we needed through His people. Thank you!

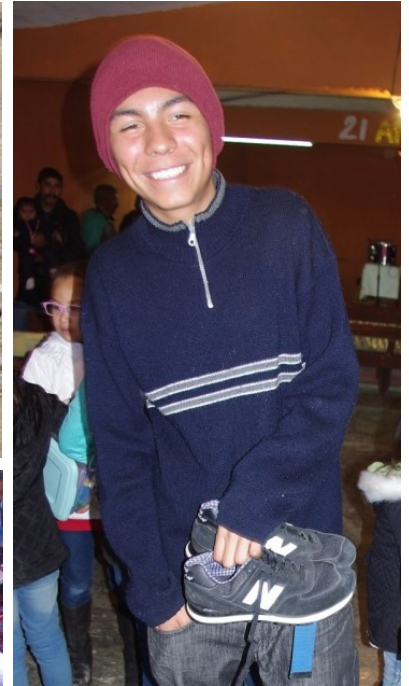

It is a special kind of love that drives Christ followers to give so much of themselves to their neighbors. Thank you!

In addition to those who gave gifts individually or through their church, a group came and gave their time to help deliver gifts. Thank you!

Eleven Christians from various Churches and cites in Texas, joined a great Mexican volunteer group to share the love of Jesus during this season. We delivered gifts to the children at *Marcos 10:14* kids club and at small, remote villages: Canoas, Palmito, Bueno Vista, Los Adobes and three combined churches came together at Refugio.

Glenn Wied Visits Palmito

Glenn Wied (left) from Alton, Texas recently came for a visit to Galeana, NL, Mexico with *True Path Ministry*. He was part of the worship team that went to Palmito on Saturday, November 16th.

It is a Church where 87-year-old Pastor Ruben serves. TPM and Iglesia Getsemani go to the village for services about once a month.

Glenn is a former resident and missionary who served the Lord in the area for many years. He enjoyed being part of TPM's work for about a week.

TPM Van Now Registered in Mexico

The 1999 Ford Econoline 350 passenger van is a critical part of our ministry, and now it is officially a Mexico vehicle! This was a big hurdle (it would take a book to explain the complexities of the process). Having Mexican plates means we no longer have to worry about going to the border for permit renewals every few months. Plus, Mexican citizens can now legally drive it (that was not allowed outside Galeana when it was licensed in the US).

We want to especially recognize the *Damacus Road Fellowship* in Ennis, Texas for their significant contribution toward this effort.

Pastor Reynaldo and wife Lourdes are proud to have the vehicle. We use it to get kids to club, church members to services at Iglesia Getsemani, escort visitors and volunteers to take the gospel of Christ to remote villages.

Iglesia Getseman Construction

Great progress made on the Iglesia Getseman building project. *True Path Ministry Inc.* and the *Iglesia Getsemani Church* in Galeana, NL, Mexico work closely together for Christian ministry in the area. Our biggest joint project continues to be completing a new church building.

Thanks to generous gifts from donors in the USA we were able to finish the interior walls with pre-colored stucco. This is a significant step forward for the project.

Also complete: sheet metal on entire roof, front porch with rails, two lower level rooms roughed-in and additional area for parking acquired.

Still needed: outside stucco, road improvements, men's restroom, floor tile, sound damping and downstairs rooms finished.

Taking Worship to El Madrono

Medina, Texas visitors, Arlen and Linda Williams, came to Galeana, NL Mx for a week to help with TPM's ministry. They were among the group of Christians who traveled on Saturday October 26th deep into the mountains to El Madrono, a tiny village. The team took worship, shoes, Bibles, glasses and clothes. Arlen is missionary Stephen's brother and has been here several times. It was Linda's first visit.

Marcos 10:14 Club Continues Weekly Teaching Today's Kids About Jesus

Every Thursday night the *Marcos 10:14 Kids Club* gather 30-50 children together in Galeana, NL, Mexico to learn about Jesus.

Mariia and Edith bring the Bible lesson to life each week. Along with the Bible lesson, the kids pray, sing songs, play games, have a craft that relates to the lesson and are fed a meal. We are so grateful for all the weekly volunteers that make club so special!

What an opportunity, the Lord has given *True Path Ministry*, to be a part of these children learning about the most important person in life, Jesus. It is very rewarding to see the children learning Bible verses, and building friendships. Praise the Lord!

Missionary Stephen at DRF

Missionary Stephen Williams recently gave the Sunday morning message at *Damascus Road Fellowship Church* in Ennis, Texas. He discussed three ways God speaks to us — nature, the Bible and Holy Spirit.

He incorporated photographs and experiences from his time on the mission field in rural northern Mexico.

Contact us if you would like Stephen or Tonyia to talk to your church or small group.

2019 Was A Good Year for TPM

True Path Ministry Inc. recently held its annual meeting with outside directors and reviewed its operation for 2019. It was a very good year. We want to thank our Lord for allowing us to be a small part of His ministry. Also, we thank our donors, without your faithfulness we would not have the same magnitude of impact. We are also grateful for our volunteers both in the USA and Mexico. Sharing the love of Jesus is our purpose and we look forward to continuing our mission in 2020.
