Editor's Note: Working for Jesus! *True Path Ministry Inc.* continues in its mission. The COVID-19 virus is in Mexico and has changed the way we serve the Lord around Galeana, NL, Mexico. Construction at the *Iglesia Getsemani* church building continues to progress. The *Marcos 10:14* kids club cannot meet due to government imposed restrictions. In the middle of this uncertainty TPM continues to serve the Lord. Thank you for your prayers and financial support. Below are highlights of our recent activities in 2020. Share this with folks who do not get online. Like us on *FaceBook* and see all our adventures at: <http://truepathministry.com/news/>

Christians Worship at Home as Normal Activities Stop in Mexico

TPM Missionaries Stephen and Tonyia are in Texas during this time of shelter in place. However, Pastors Reynaldo and Lourdes and Evangelist Ramiro carry on the ministry in Mexico, the light of Christ shines through Christians there. Pastor Rey and Lulu stay in touch with all members of their church. "And we are in regular contact with Pastor Rey and Lulu," said Steve. We continue to work with Pastor Rey to provide financial or other resources, to families in need, especially during this difficult time.

The *Marcos 10:14* kids club is not able to meet weekly due to the virus. Small groups have been meeting to worship and pray. Also, construction continues on the new building. We are not aware of anyone having the virus in the Galeana area. Praise the Lord!

As of May 8th in Mexico there are 29,616 confirmed cases and 2,961 deaths related to COVID-19. The government has taken aggressive action. We

understand traffic from the USA into Mexico is restricted. "Travelers entering Mexico by land from the United States may be denied admission if the purpose of their visit is considered nonessential," said an official source. Also, many local communities, including Galeana, have been blocking non-residents from entering their towns.

The USA Consulate in Monterrey has been sending email updates about COVID-19's impact in Mexico. On May 1 a note from them mentioned that, "the Mexican government announced the start of Phase 3 of the pandemic, meaning widespread community transmission, thousands of cases of infection, and increased numbers of patients requiring hospitalization. The Mexican government also extended nationwide restrictions on non-essential economic activities in most municipalities until May 30... Schools in Mexico are also closed under the terms of the health emergency."

Christian family church worship gathering in Galeana, NL, Mexico

Texas Short-Term Missionaries Tackled Big Projects During Early March Visit

Christians from Medina, Texas were in Galeana, NL, Mexico during a week early March for a short-term mission trip. They came to serve the Lord by working with TPM, Pastor Reynaldo, Lulu and others.

The Texas group finished the roof and restroom at the new church building in Galeana.

The Christian visitors joined with TPM and other volunteers from Mexico to bless the El Carmon, NL, MX Christian Church with new electrical wiring.

The group installed a new metal roof at Pastor Seldonia's house church near Refugio. They drove deep into the mountains on steep, challenging roads to get to the isolated location.

Downstairs Room Completed at the New Iglesia Getsemani Church Building

One of the two rooms that is downstairs is now finished at the New Iglesia Getsemani Church building. The rock bottom had to be chipped away and concrete poured to create a level floor. The inside walls were stuccoed with a pre-colored cement, a new window and door were installed. Once the room was completed storage shelves were built and installed.

Workers on the project included members of Pastor Reynaldo and Lulu's family and church members.

Stucco also going on all outside walls.

Abdiel, Rey and Lulu's son, helped too.

TPM at White Rock Church Bandera, Texas

True Path Ministry missionaries Stephen and Tonya Williams were at the Sunday morning service on February 16th at the **White Rock Christian Fellowship Church** in Bandera, Texas. Stephen delivered the message using PowerPoint slides to emphasize his message and to show some of TPM's work in Mexico.

Changes for Marcos 10:14 Kids Club

The **Marcos 10:14 Kids Club** is an important part of TPM's work in Mexico and we plan to continue this ministry. However, the COVID-19 crisis and other events has prompted us to consider how the Lord wants us to proceed. We have moved out of the rental house and compound that we had been in for the past four years.

Pastor Reynaldo, wife Lourdes and family live in another house in Galeana that might work as a location for the weekly meetings. Another alternative is to hold the meetings at the **Iglesia Getsemani** church building in the newly finished lower room. Please help us pray that we proceed in our Lord's will for this important ministry.

TPM Supplies Face Mask to Home Health Nurses

True Path Ministry Inc. missionaries Stephen and Tonya Williams are in the USA during the COVID-19 health crisis. Tonya works for a home health agency in the Dallas, Texas area and their nurses could not find protective face masks. TPM made some calls to Christian friends in the Ennis area and found several people willing to make the masks from a special design available online. All to the glory of the Lord!

Iglesia Getsemani and TPM to Build Parsonage

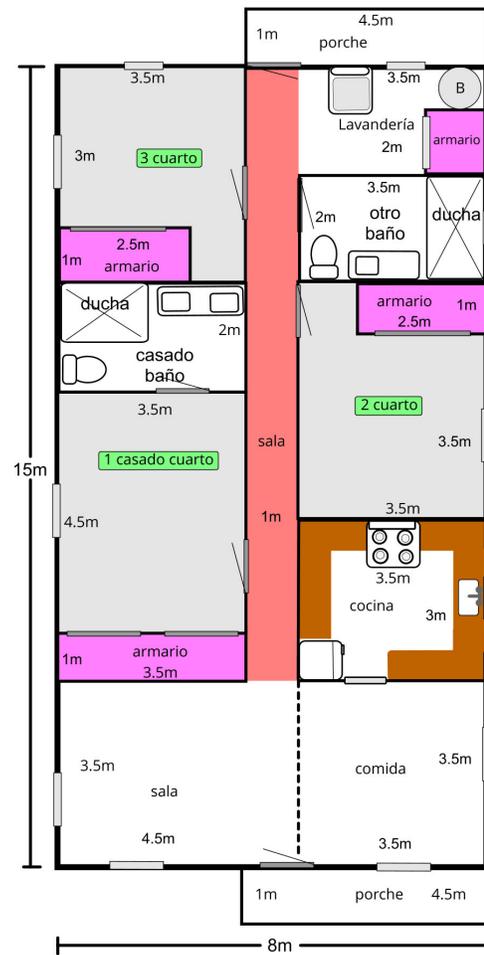

Pastors Reynaldo, Lourdes and family have moved from rent house to rent house multiple times. They own a small plot of land next to the new **Iglesia Getsemani** church building on the east ridge above Galeana. After much prayer we believe the Lord is leading us to help them build their forever home. They already have a plan in mind (see below).

It will be a simple concrete block home which is typical for the area. We believe we can get it completed for about \$15,000 USD.

If you feel lead by the Lord to give to this specific project you can go to the TPM internet site in the "support" page <http://truepathministry.com/support/>

Or mail a check to: True Path Ministry Inc., 1420 Moseley Road, Ennis, Texas 75119. Please pray, pray, pray for this project and God's favor for its completion.
