Editor's Note: Working for Jesus! *True Path Ministry Inc.* serves the physical and spiritual needs of folks in rural Mexico. The COVID-19 virus continues to plague the Galeana, NL, area. It has caused us to postpone the restart of the *Marcos 10:14* kids club. However, our Construction projects continue to progress and our rural village outreach remains active. Pastors Reynaldo and Lourdes, Iglesia Getsemani Church in Galeana, keeps TPM initiatives going when we are in the US. We have hosted groups from the US and made multiple ministry trips to Mexico. These activities are possible because of your support. Thank you for your prayers and financial gifts. What follows are highlights of our recent activities during the summer of 2021. TPM and Iglesia Getsemani Host Wellness Clinic

True Path Ministry and Iglesia Getsemani hosted a one day medical clinic at the church building in Galeana, NL, Mexico on July 17, 2021. A mission organization in Saltillo, Mexico had planned to hold a clinic in Galeana, but needed a location. Missionaries Tonyia and Stephen Williams met a person involved in that effort by divine appointment during a church service in Ennis, Texas.

The clinic was staffed by a combination of folks from Mexico and the US. It included two MD's, medical assistants, a pharmacy, blessing bags for those most in need (included food/hygiene items), a kid's game area, a clothing give-away section, and praises to Christ in a worship/Bible service.

We were all there to show the love of Jesus to the people of the area. For even the Son of Man came not to be served but to serve, and to give his life as a ransom for many. Mark 10:45 (ESV)

Dedication of Centro Cristiano Maranatha in Hidiondilla, NL, Mexico

TPM and Iglesia Getsemani on July 15th were humbled and honored to be part of the dedication of Centro Cristiano Maranatha in Hidiondilla, NL, Mexico. Pastor Carlos and wife Jenny are the young couple who are the founders of the small rural church. They are eager to extend the love of Christ to everyone in the area.

They timed the dedication so that visitors Donna and Jim Jones from Texas and missionaries Tonyia and Stephen Williams with TPM could join in. It was a moving day of joy to be part of the event. Worship was heart felt and sincere.

Sweet Christian Fellowship in Caballada

True Path Ministry and Iglesia Getsemani in mid-July ventured deep into the Mexico mountains to a small rural church in Caballada. It was the first time for us to minister using their beautiful building tucked away on the side of a steep mountain.

In addition to Pastor Chevo's church members from Caballada we were joined by folks from Pastor Selodonio's Refugio congregation. Sixteen Christians came from the Iglesia Getsemani Church in Galeana and five Texans with True Path Ministry. The music worship time, lead by Lulu, was especially uplifting and the preaching from evangelist Ramiro was powerful. The kids had a time of fun and study too. Plus, we had gifts for the kids and clothing for all. It was a fun day serving the Love of Christ.

I lift up my eyes to the hills. From where does my help come? My help comes from the Lord, who made heaven and earth. (Psalm 121:1-2).

God's Creation on Display in Canoas

A group of Christians from Texas with True Path Ministry and Mexico believers from Iglesia Getsemani Church combined with the good people in Canoas to praise the Lord on July 29th.

We shared worship music, a fun kid's time, good preaching and sweet Christian fellowship.

The people of the tiny, remote mountain village were especially happy because of the blessings of abundant grass for their animals, fruit on the apple trees and their corn was growing well. It was a joy to see the smiling faces of the adults and kids.

Additional Funding Needed to Complete Mexico Base-of-Operation Facility

Second floor walls going up on parsonage that will be TPM MX headquarters

New entrance stairway added, second exit door and wheelchair sidewalk beside the church building.

Thanks to numerous generous donations True Path Ministry has made tremendous progress on the Iglesia Getsemani Church building, kids pavilion and parsonage. TPM works closely with the Iglesia Getsemani Church for all aspects of ministry in Mexico.

Our largest current project is a second floor addition to the parsonage. It will be the headquarters for TPM in Mexico. It will include two bedrooms, two bathrooms, a small kitchen and living area.

We will host visitors from the US and rural pastors from Mexico who need a place to stay when they are in Galeana. Most of the funding for the walls and roof are in place, however, we will need additional help for the windows, doors, plumbing and electrical wiring.

Those who give to our ministry through their church can add a note in the memo section of their check for "TPM Construction project." Individuals can make the same notation when they send their check. Thank you for your support and God bless!
