Fourteen Baptized in Mountain Stream

True Path Ministry missionaries Stephen and Tonyia Williams along with Jim and Jones from Medina, Texas were on hand in June to help Pastors Reynaldo and Lourdes baptize fourteen members of the Central Cristiano Getsemani church. Several of those were long-time Marcos 10:14 Kids Club members who have become faithful Christian youths.

Fifty church members made the two hour trek from Galeana, NL, Mexico deeper into the mountains to participate in the ceremony. There were prayers, hymns, shouts of amen and hallelujah! Everyone brought food to share. It was a joyful Christ centered celebration.

“Tent of Meeting” Erected in Purisima & Reynosa

It was such a joy to answer prayers by providing two large event tents as worship centers in the tiny mountain village of Purisima, NL, Mexico and for a new church in Reynosa, TA. Riding the River Cowboy Church of Bandera, Texas generously donated chairs for both locations. Jim and Donna Jones graciously brought them to Mexico. In both locations the new “tent of meeting” has already been used often for adult and children’s services.

The Central Cristiano Getsemani church, Pastors Reynaldo and Lourdes, from Galeana work closely with the Purisima church.

The Reynosa church is part of Pastor Francisco’s Centro Cristiano Victoria organization of churches. The tent will be used for services until a more substantial structure can be built.

VBS Points Kids to Christ in Remote Villages

True Path Ministry and the Central Cristiano Getsemani church in Galeana teamed up during the summer to take Vacation Bible School (VBS) to four remote mountain villages in the state of Nuevo Leon, Mexico.

Each day a group of enthusiastic adult and youth volunteers loaded up from Galeana and climbed in the TPM one-ton van, along with gifts, musical instruments and special supplies. Travel always included a rough one hour or more ride on roads up and down steep mountains, often clinging to the edge of cliffs, just to get to the isolated villages. But it was well worth it for all involved!

Marcos 10:14 Kids Club Continues Powerful Weekly Christ-Centered Meetings

True Path Ministry and faithful volunteers from the Central Cristiano Getsemani church in Galeana, NL, Mexico, teach Christian life lessons in the *Marcos 10:14 Kids Club* every Thursday. Prayer, Christian songs, fun games, a Bible lesson, related craft projects and food are part of the experience. Kids who have been coming for a while build their confidence, develop likeminded friendships, have internalized Bible verses, and have learned what it means to follow Jesus. The club continues to attract 20-30 children between the ages of five and eleven years old each week. Every three months kids who have had a birthday are celebrated with cake and songs.

God Blesses Women's Conference

Earlier in the year, God gave the opportunity to have a women's conference in Galeana, NL. Tonyia, with True Path Ministry, and several women from the Central Cristiano Getsemani church worked together to put this event together.

Estela Ramirez, from Reynosa, Tamaulipas, Mexico preached a powerful word! Women are beloved by God! She also offered some healthy dietary teaching. The Medina Community Women's Bible group, from Medina Tx, put together a special gift for each woman and was given to them as they arrived.

Texas Visitors Help Take Gospel to La Presita

True Path Ministry and the Central Cristiano Getsemani church in Galeana ministered to children and adults in La Presita, NL, Mexico in September. Texas visitors Will and wife Debbie Loveless, joined with missionaries Stephen and Tonyia Williams for the trip. Thirteen volunteers from Galeana road along on the 40 mile, two hour drive to make it a special day for the children and adults at the very remote church.

Construction Projects Update

Roof Repairs Complete at Santa Rosa Church

The roof repairs are complete at the Santa Rosa Church building thanks to a generous donation earmarked for the purpose. After some cement patches were applied the entire roof area was painted with a special sealant that will add more years of use to the building.

Roof & Windows Installed at Hidiondilla Church

The Centro Cristiano Maranatha church, lead by Pastor Carlos and wife Jenny, is a young and growing church. It is in a small desert community near large scale tomato greenhouse farms. The new much larger building replaces a small structure that was made from scrap materials.

TPM donors and local church volunteers were a big part of making the new structure a reality, but Christ is the true foundation for this project!
